WORK EXPERIENCE

Web Developer

Accepire - IT Service and Consulting

07/2023 - Present

Remote

During my internship at Accepire, I served as a Front-End Web Developer, actively contributing to the creation of the company's website.

Achievements/Tasks

- Successfully migrated company website and improved user experience through modern design.
- Implemented SEO strategies resulting in improved search rankings and increased organic traffic.
- Optimized site speed and performance for enhanced user engagement.

ORGANIZATIONS

Zero Waste Management Club , VIT Vellore (Design Head) (02/2021 - 02/2022)

Led 60+ member team as Design Head of Zero Waste Management Club, driving impactful sustainability programs, orchestrating marketing campaigns, and fostering a strong sense of community. Demonstrated adept project management, leadership, and persuasive communication skills.

Gravitas'22 - Event coordinator

As the Event Coordinator for Scavenger Quest at Gravitas 22, a national technical symposium held at VIT Vellore, I played a key role in the organization and execution of the event. My responsibilities include overseeing registration, coordinating drop-ins with team members and volunteers, and creating promotional materials for participants to the sky. The event was a success, and I received positive feedback from both participants and organizer
